HARRISON HELPS SISTER CITY IN NEED

The Harrison Mayor's Community Fund set a goal to raise \$50,000 to assist Sister City Meckesheim, Germany with replacement of a fire brigade van. The vehicle was destroyed in an accident in March 2022 while transporting Ukrainian refugees.

Mayor Bill Neyer is paying his own way to Germany in early May to deliver the check to Bürgermeister Maik Brandt and formally execute the Sister City relationship documents, a process that began 2019 but has been delayed due to COVID.

Mayor Neyer also declared April 9 "Meckesheim Day"

The City of Meckesheim, Germany, lost this emergency van due to a crash.

in Harrison to commemorate that city's 1,200th anniversary. Harrison resident Kurt Wolfert attended a jubilee in Meckesheim as the City's ambassador. Wolfert funded his own trip to present a copy of the Mayor's proclamation and a congratulatory plaque. Meckesheim has a population of 5,200 people and is located in the Heidelberg district of Baden.

CITY WATER SOFTENER COMING SUMMER 2022

The City's Public Works Department is completing the installation of a water softener. The reverse osmosis system will process 1.5 million gallons per day, reducing hardness of tap water and corrosion of pipelines. Before the equipment is turned on, electrical work, inspections and testing will be completed. The projected date for turning on the new water softener is July 13, 2022.

Instructions for residents to adjust their in-home water softeners will be enclosed with May utility bills and will also be available on the City website.

The City's Water Plant provides safe drinking water for 13,000 residents and local businesses.
